RESPONSE TO OFFICE ACTION

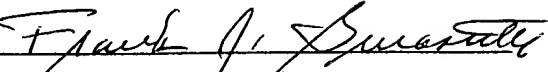

In regard to the above-identified application, enclosed is an additional set of drawings. These are being submitted at the request of the Examiner made during a telephone interview to discuss the Office Action mailed 04/21/2005.

In the action the Examiner had objected to the "informal" drawings in the case. But the record shows that formal drawings were submitted and received in the PTO on June 21, 2004. Apparently, the Examined did not have these formal drawings.

Accordingly, the objections to the drawings are specifically traversed and reconsideration of the application is respectfully requested as is an early notice passing the case to issue.

Respectfully submitted,

Francis J. McCabe
